

1 day Design Session

Bring a challenge, leverage community, develop solutions

Using the design thinking process, we will connect and develop prototypes to address your challenges.

*What are the blockers to learner-centered education?
Let's dive it and create a plan.*

Overview of our Design Session

Connect

- Who are you and what are your strengths as leaders?

Empathize and Define

- What's working?
- What's challenging?
- What's possible?

Ideate & Prototype

- What are the best ideas that you'd like to test?

Feedback and Share

- What are the strengths?
- Where are the gaps?
- What's next?
