

3 Part Webinar Series

How are **you** starting the year with learners at the center?

Join us for a three part webinar series as we explore how our community starts the year with learners at the center.

When we start with **learners**,
we start from a place of **possibility**.

AGENCY

- Pursue my interests and develop my strengths
- Work purposefully
- Demonstrate mastery
- Persist through challenges

REAL-WORLD PROBLEM SOLVING

- Respectfully express curiosity
- Apply my skills and knowledge
- Plan and carry out individual and collective action

COLLABORATION

- Build empathy, respect, understanding and connection
- Be relied upon
- Engage respectfully with all
