

Flexible Seating: SAMR Model

Use the table below to think through where you are in the SAMR model on flexible seating in your classroom and then come up with some new ideas to rethink your classroom layout.

	Example	Self-assess your classroom	What ideas do you have?
Redefinition 	Recreating a classroom with a variety of couches, chairs, bean bags, poofs, cushions & rugs.		
Modification 	Replacing some chairs and desks with sofas or high tables		
Augmentation 	Replacing some chairs with yoga balls or desks with tables		
Substitution 	Replacing chairs with more ergonomic chairs
